POWERSPORT VEHICLE FRANCHISEE/FRANCHISOR ANNUAL REGISTRATION

The Utah Legislature enacted the Powersport Vehicle Franchise Act in 2002 to ensure fair business practices between powersport franchisors and franchisees. The Act covers sales of NEW all terrain type I and type II vehicles, snowmobiles, off-highway motorcycles and personal watercraft. The Act requires that powersport vehicle franchisees and franchisors doing business in Utah register with the Department of Commerce and pay an annual registration fee. If you sell only powersport (off-road) vehicles, your annual registration fee per dealership is **\$83.00**. If you sell both powersport and street vehicles, and you are already registered under the New Automobile Franchise Act, your annual registration fee per dealership is **\$27.00**. Whether you are registering for the first time or have previously registered as a powersport franchisee or franchisor, please return the following information along with your annual registration fee to:
